ALMA MATER

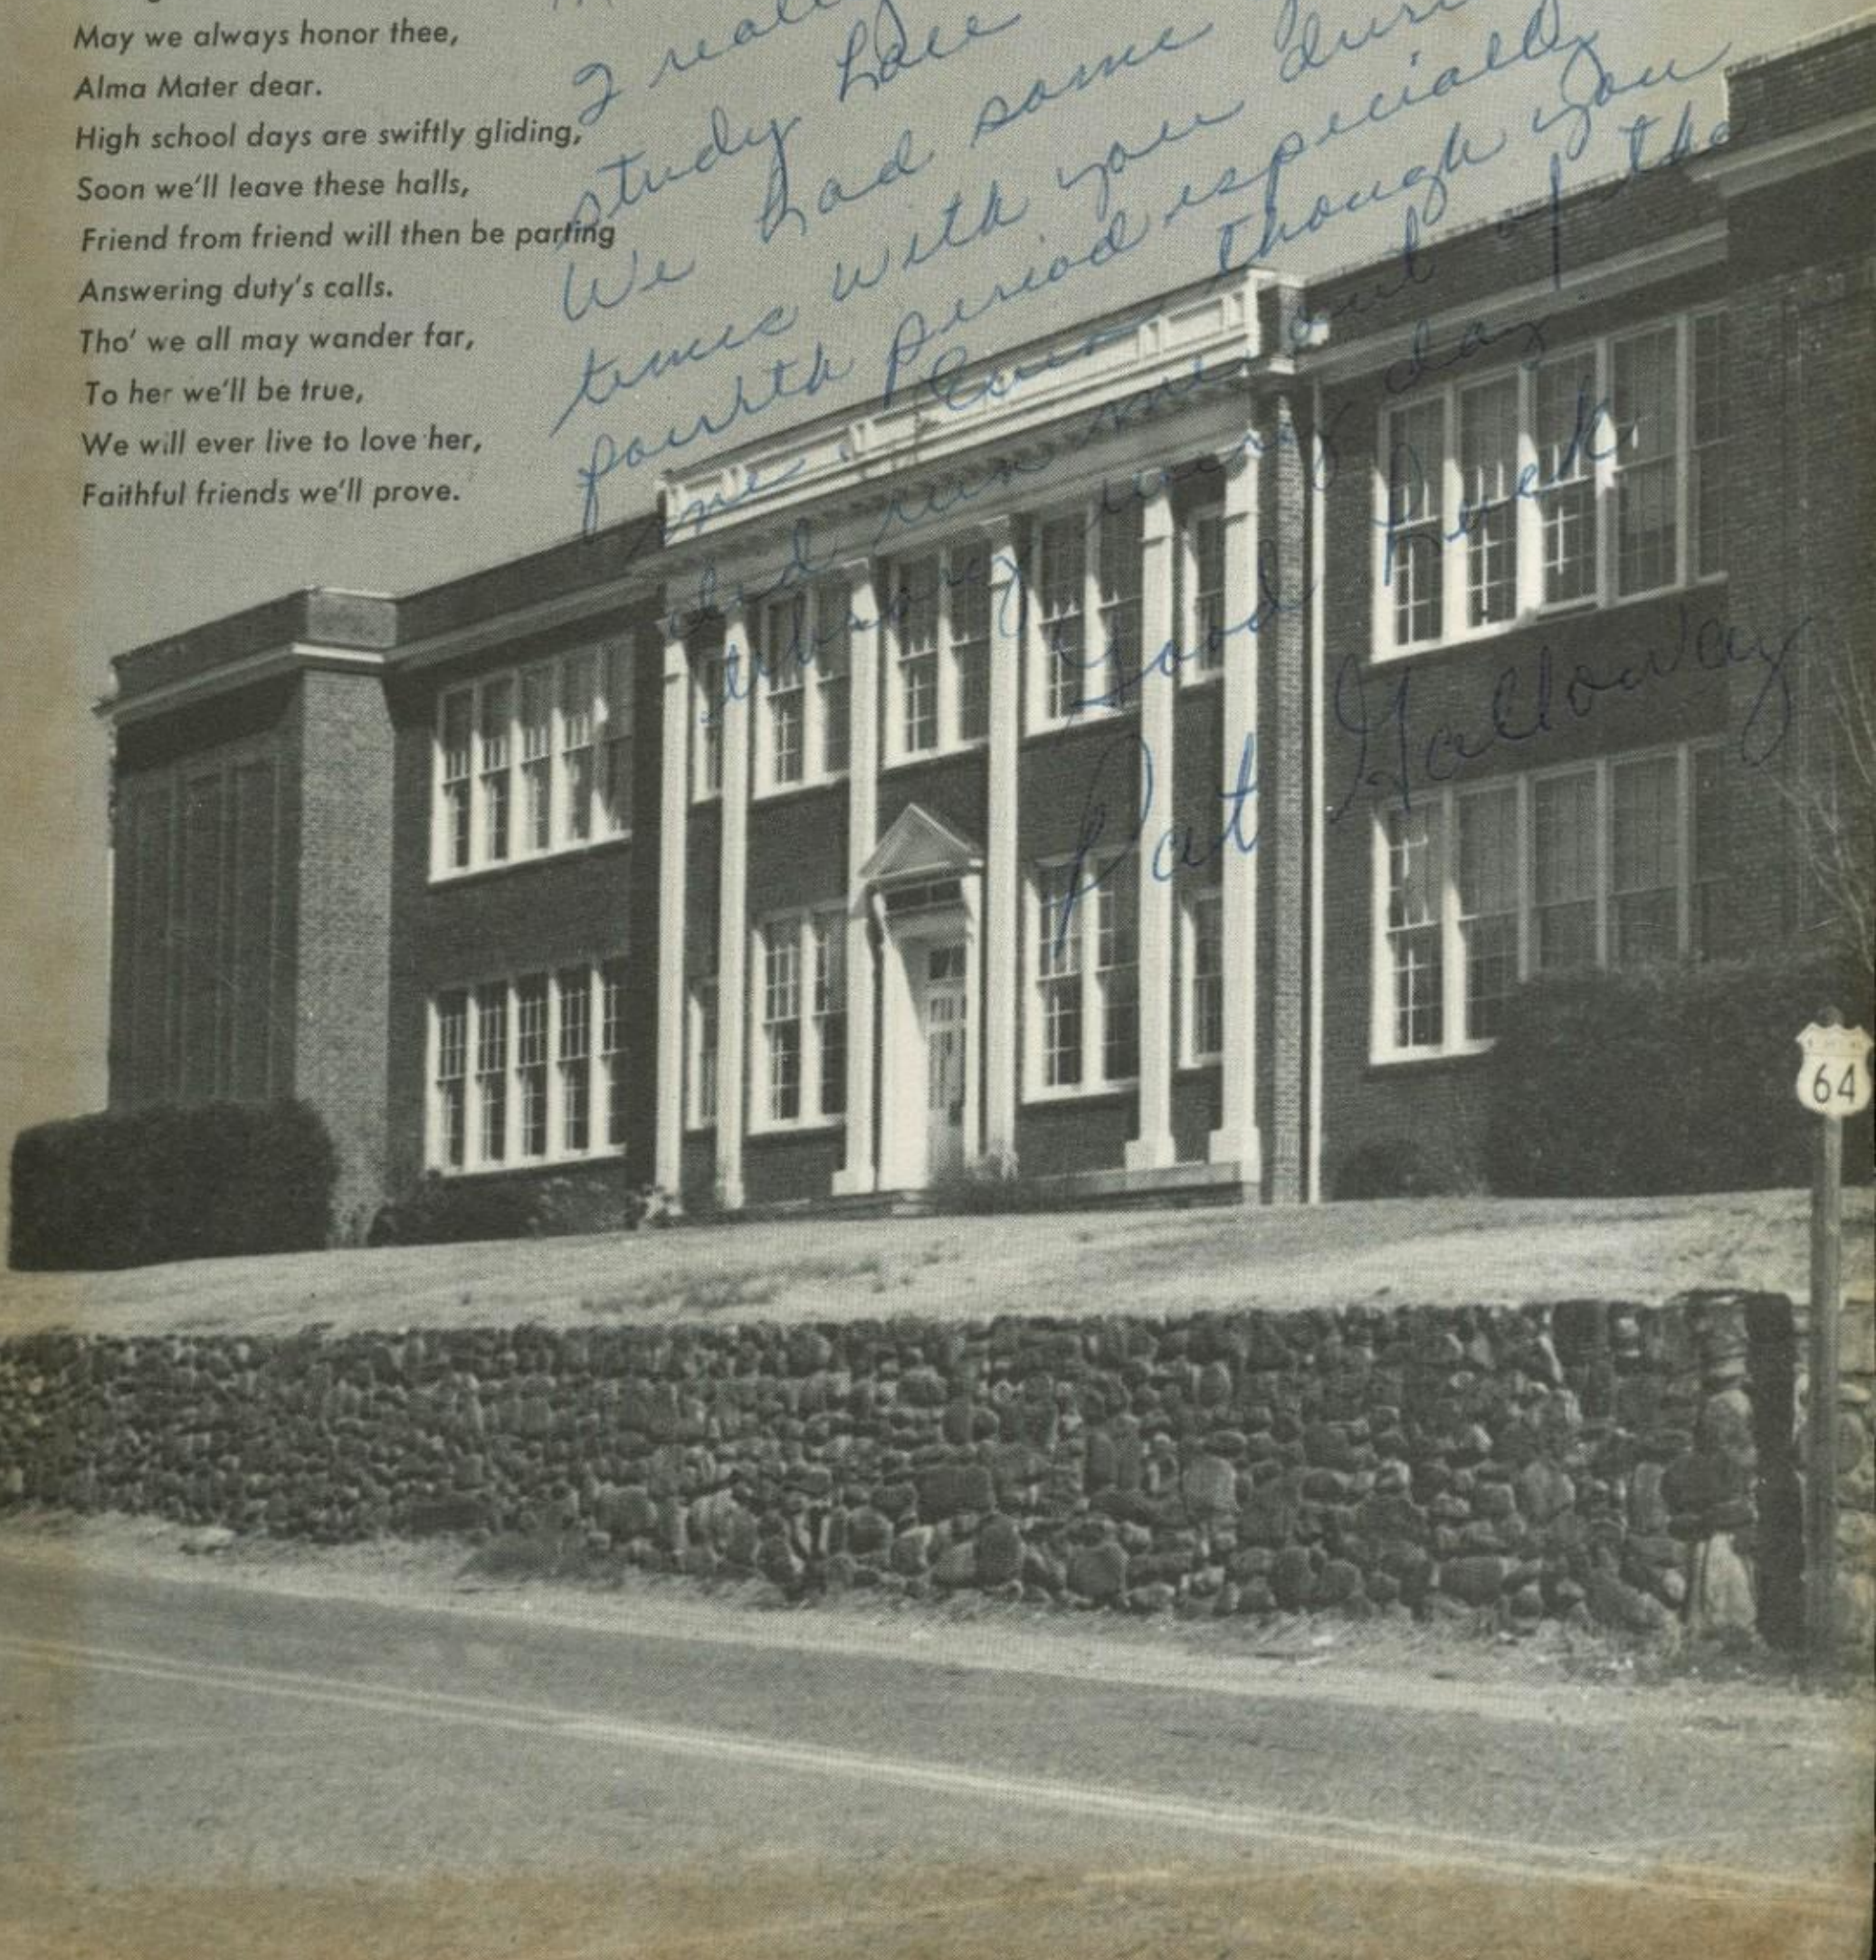

Far up in the Blue Ridge Mountains
With its skies so blue,
Stands our dear old Alma Mater
Proudly to the view.

CHORUS

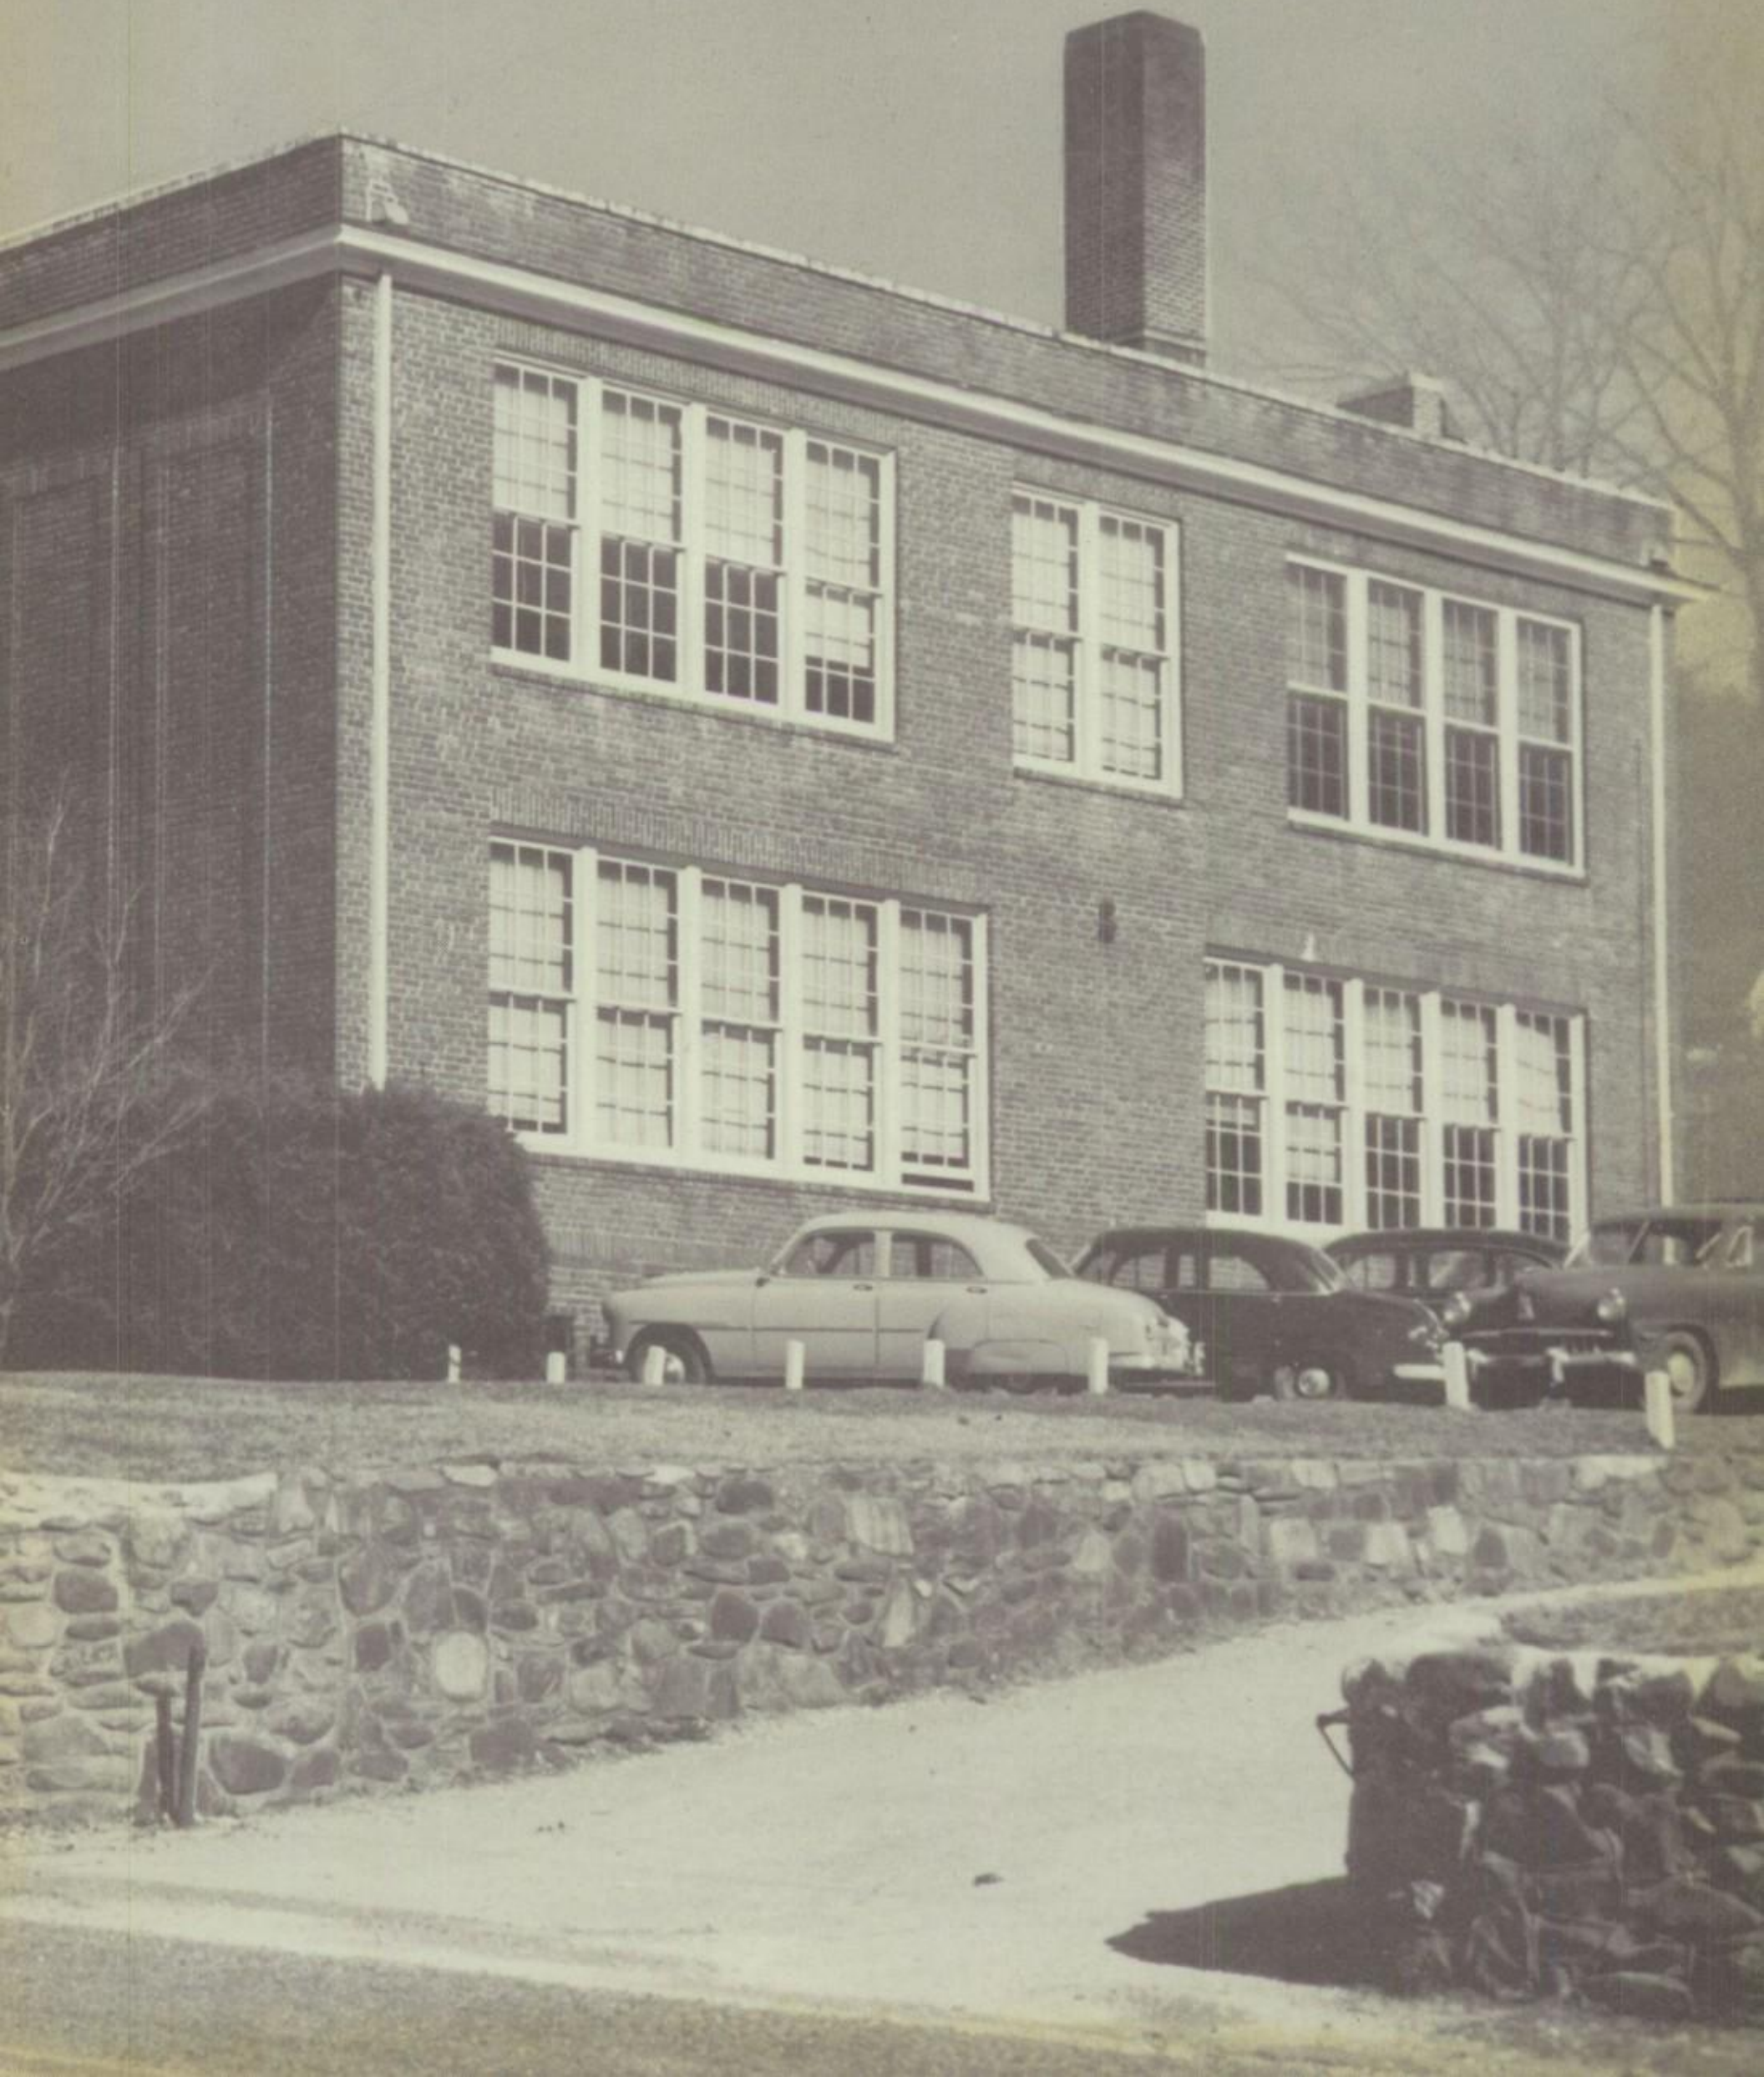

Rosman, Rosman, our dear high school,
Orange and the Black,
May we always honor thee,
Alma Mater dear.
High school days are swiftly gliding,
Soon we'll leave these halls,
Friend from friend will then be parting
Answering duty's calls.
Tho' we all may wander far,
To her we'll be true,
We will ever live to love her,
Faithful friends we'll prove.

Best of luck
Bruce Hayes

Mr. Dwyer
I really enjoyed having
study hall with you.
We had some good
times with you during
fourth period especially
me a few days
and some more days
I hope you have
Good luck
Pat Galloway

ALMA MATER

Far up in the Blue Ridge Mountains
With its skies so blue,
Stands our dear old Alma Mater
Proudly to the view.

CHORUS

Rosman, Rosman, our dear high school,
Orange and the Black,
May we always honor thee,
Alma Mater dear.
High school days are swiftly gliding,
Soon we'll leave these halls,
Friend from friend will then be parting
Answering duty's calls.
Tho' we all may wander far,
To her we'll be true,
We will ever live to love her,
Faithful friends we'll prove.

Mr. Dwyer
We really miss you
and Mrs. Dwyer. It's not
the same without you all
and Linda. School is so
different without her. We all
miss dreadfully. Oh - well let's
talk about something else.
How's ~~Wanda~~? How do you
like our new annual. Some
of the pictures are awful.
We all miss you all.

Mr. Luggs

Dwyer

i enjoyed having you as a teacher and
a good friend, i think you are the
most, if every one were like you the
world would be a lot better off.
